Council will empty this bin every second week

Your small benchtop kitchen caddy is for  
**Collecting food waste to take to the FOGO bin**

Fill the caddy with food waste as you cook, and empty it into the green-lidded Food Organics and Garden Organics (FOGO) bin as needed.

Liners are optional – rinse the caddy after each use. Liners must be certified compostable liners. Look for the Australian Standard 'AS 4736' logo on packaging.

Don't place this caddy on the kerb

## Download the Borough Bins app for more information

Council's free Borough Bins app can help you manage your bins, with features including:

- A searchable list of waste items and detailed sorting guide
- Bin collection calendars and reminders tailored to your property
- Alerts about disruptions, changes, or extra collections

To download the app, scan the QR code on the right, or visit the App Store or Google Play Store and search for 'Borough Bins'.
