#	RESPONSES	DATE
1	Remove 'Protect Country' Remove Wadawurrung We have a deep respect for ALL people I don't understand what protect county means it should read 'the environment'	5/2/2025 3:03 PM
2	No Change As I believe that our current Community Vision IS STILL relevant to our community I think that NO CHANGE is required to the current Vision. I strongly support reconciliation with Wadawurrung People and believe that it must remain an important community priority.	5/2/2025 1:37 PM
3	No Change No change required	5/2/2025 12:32 PM
4	Remove 'Protect Country' End with We have a deep respect for the Wadawurrung People.	5/1/2025 4:02 PM
5	Remove 'Protect Country' Remove "and are taking action to protect Country"	5/1/2025 1:14 PM
6	Coastal "renowned for for its distinctive coast". This part of the statement is not correct, as you cannot see yhe coast due to undergrowth, overgrowth, dead trees, and untamed noxious weeds along the ridge line running the full length of Gellibrand St.This is why I gave a 45% rating.	5/1/2025 11:15 AM
7	Misc I feel we should have deep respect for all people, our community, past, present and future.	5/1/2025 9:46 AM
8	Remove 'Protect Country' Remove " and are taking action to protect country"	5/1/2025 7:52 AM
9	Misc Remove irrelevant recognition of aboriginal names for the borough They moved out many years ago and have not had any commitment to our community	4/30/2025 10:52 PM
10	Remove 'Protect Country' The Borough is a special and restorative place, renowned for its distinctive coast and rich living heritage. Our community is vibrant, connected and caring. We have a deep respect for the Wadawurrung People.	4/30/2025 4:12 PM
11	Wording Change Add a second Paragraph:- "By ensuring the financial sustainability of the Borough, we can then ensure the sustainability of our services, our commercial sector, our infrastructure, our maritime heritage, and all aspects of our environment, including our foreshore, native vegetation and seascapes.	4/30/2025 2:43 PM
12	Misc Less reference to indigenous recognition, but some is appropriate too much focus on indigenous recognition in the statement	4/30/2025 12:18 PM
13	Misc Stop all the wasted consultative stuff and do something productive. The Murray rd bike trail is a prime example. Two wasted and protracted discussions and still nothing done. Are u waiting for someone to be injured or killed by speeding cars to do something	4/30/2025 9:19 AM
14	Misc It is not just living heritage but also built heritage that deserves prominence here.	4/30/2025 8:22 AM
15	Wording Change Feel we should change the last sentence to something that includes "the respect for our first nations people and the children of our future and taking the necessary action to leave our borough in a better place than we found it."	4/29/2025 8:48 PM
16	Remove 'Protect Country' Remove the last phrase of the sentence 'and are taking action to protect country'	4/29/2025 8:43 PM
17	No Change Nothing to change as encompasses our Borough	4/29/2025 8:11 PM
18	No Change Change nothing.	4/29/2025 8:00 PM
19	No Change I believe it is essential to maintain this current community vision.	4/29/2025 7:52 PM
20	Remove Wadawurrung Delete last phrase and any references to Wadawurrung and just say we care for country.	4/29/2025 7:05 PM
21	Pro Wadawurrung We are a vibrant community and have a restorative environment. I hope the council has not given the go ahead for a private helicopter pad in the Borough. That would go against the Central Vision Statement. We would like to see a sign at the entrances	4/29/2025 5:03 PM

Reviewing our Community Vision

to town letting people know they are on Wadawurrung country. A small acknowledgment that they were once the custodians of this area.

22	Remove 'Protect Country' take out "taking action to protect Country"	4/29/2025 3:15 PM
23	Remove 'Protect Country' Remove last phrase of current statement.	4/29/2025 2:00 PM
24	Misc Of being of Aboriginal descent I believe we should all just calm down a bit in regards to these issues Not to say sweep it under the rug But for me a hole lot of white folk telling other white folk what they should do in regards to reconciliation is getting quite tiresome	4/29/2025 1:48 PM
25	Misc Whilst I agree with taking action to preserve country I do believe the parks and general up keep of the borough should be upheld. Many of the parks and local trails aren't being maintained to a level which befits the vision of a tidy town.	4/29/2025 1:04 PM
26	Remove Wadawurrung The Wadawurrung statement is excessive, tokenistic and should be removed. It shows a complete ignorance of the fact that Wadawurrung were removed from the area in the 1860s and 1870s. There is simply no continuity in Wadawurrung involvement in the area - there is no knowledge they have which is more profound than many of the local environmentalists and historians have, unlike many other indigenous areas in Victoria which have had continuity of occupation and clear passing on of local knowledge.	4/29/2025 12:58 PM
27	Remove Wadawurrung I do not have a deep respect for the Wadawurrung peoples I have a deep respect for the environment, the settlers that build the town and the Anzacs that kept it safe	4/29/2025 10:17 AM
28	Pro Wadawurrung I support the statement in particular the need to acknowledge the Wadawurrung who have protected country for thousands of years and protect not only Country but the planet, because it's the only one we have.	4/29/2025 8:42 AM
29	Remove 'Protect Country' Remove the last sentence completely . Instead, add "welcoming visitors from all cultures and beliefs as well as Wadawurrung people."	4/28/2025 7:20 PM
30	Misc Not to spend any money on aboriginal heritage. Waste of rate payers money.	4/28/2025 7:18 PM
31	Wording Change No mention of important maritime history.	4/28/2025 7:14 PM
32	Misc Council need to stop wasting ratepayers money on attempts to enforce their ideological beliefs by stealth on the community and refocus on enhancing the practical, physical, lifestyle attributes of our borough	4/28/2025 7:00 PM
33	Pro Wadawurrung I think you could make our commitment to being a safe haven for all stronger (eg First Nations peoples, LGBTQIA+)	4/28/2025 6:59 PM
34	Pro Wadawurrung Wording Change reword it - The Borough is a special and restorative place, renowned for its striking coastline, vibrant culture, and rich living heritage. We are a caring community that warmly welcomes visitors. We deeply respect the Wadawurrung People that one lived here and are committed to learning about and understanding the impact our culture has had on their community, while working to protect and honour what remains of Country. We are equally committed to respecting, preserving, and celebrating our own rich heritage for future generations.	4/28/2025 6:09 PM
35	No Change I wouldn't change anything. Part of recognising the distinctive heritage of this wonderful space and place is to recognise with deep respect the pre colonial history of this land. It also has a particular eco-system that we need to protect and we need to do this in partnership with those who have ancestral connections to this country. It is simply a matter of respect and regard, that reflects what it means for us to be a caring community.	4/28/2025 5:25 PM
36	Wording Change delete "have a deep respect for" and insert "acknowledge," as per the rest of the country.	4/28/2025 5:25 PM
37	Remove 'Protect Country' The Borough is a special and restorative place, renowned for its destict coast, rich living heritage and vibrant culture. Our community is caring and welcoming to visitors. We have a deep respect for the Wadarawurrung People.	4/28/2025 5:18 PM
38	Misc Taking action to protect country is vague and is not a vision. A vision is what we want our borough to be. It also doesn't speak to unique tourist destination	4/28/2025 10:45 AM
39	Misc More needs to be done to achieve this Vision- need to see what the actions will be	4/28/2025 10:17 AM
40	Wording Change Change rich living and vibrant culture. Add holiday and tourism and support local businesses.	4/28/2025 10:08 AM
41	Misc I am not sure what the aboriginal heritage is. There is pressure from developers to	4/28/2025 9:37 AM

	create housing Estates that destroy the environment	
42	Remove 'Protect Country' "The Borough is a special and restorative place, renowned for its distinctive coast, rich living heritage and vibrant culture. Our community is caring and welcoming to visitors. We have a deep respect for the Wadawurrung People.	4/27/2025 8:13 PM
43	Wording Change The borough is a special place. Our community is caring and welcoming and has a deep respect of all those who have formed our past and been apart of developing our community that we enjoy today and into the future.	4/27/2025 7:03 PM
44	Wording Change The statement is not an aspiration vision. It lacks a future focus. The statement lacks energy and vibrancy.	4/27/2025 4:20 PM
45	Pro Wadawurrung The Borough is a special and restorative place, renowned for its distinctive coast, rich living heritage and vibrant culture. Our community is caring and welcoming to visitors. We respect the Wadawurrung people. And I rated Pillars 2 & 5 low and rewrote them to read: (2) "Protecting our natural environment." (5) "Protecting and celebrating our heritage.	4/27/2025 12:39 PM
46	Remove 'Protect Country' "Protecting country" is too vague. What does this mean?	4/27/2025 10:39 AM
47	Remove 'Protect Country' Remove the last sentence. This is not relevant	4/26/2025 10:15 AM
48	Wording Change Reduce to two sentences, and adjust the latter to Our community is caring, has a deep respect for its indigenous history and is welcoming to all visitors.	4/26/2025 5:38 AM
49	Wording Change The statement should contain a strong emphasis on Queenscliff's historical built history that sets it apart from other coastal towns and the significance of it being Australia's last remaining borough	4/25/2025 5:10 PM
50	No Change Pro Wadawurrung I believe that our current Community Vision is still relevant to our community and that reconciliation with the WaddaWurrung People remains a community priority. No change is required to the current vision.	4/25/2025 4:25 PM
51	No Change Pro Wadawurrung There is no need to change this statement I like all parts of the statement in particular "taking action to protect Country" - we should all be taking such action	4/25/2025 3:54 PM
52	Wording Change I question the words "vibrant culture". I also question how "welcoming to visitors" this community really is!	4/25/2025 10:39 AM
53	Misc Recognition also of our forefathers who established the towns and our facilities which have given to us this wonderful Borough	4/24/2025 3:14 PM
54	No Change The vision was carefully crafted with significant community input, it captures a caring, considerate community that values the unique environment we live in and a community that values this special place.	4/23/2025 6:51 PM
55	Remove 'Protect Country' "Deep respect for the Wadawurrung people" is all that is needed-Remove "taking action to protect country"	4/23/2025 1:51 PM
56	Remove 'Protect Country' Remove the last part of the final statement as it's not necessary do not need "and taking action to protect country"	4/23/2025 11:09 AM
57	Misc More focus on long term and widespread community prosperity. More inclusion for those older community members whose main companion is a dog - by enabling them to walk on more beaches outside peak season, and bearing in mind that cats and birds are the ,main predators for plovers etc . This will enhance health and well being, by reducing isolation and loneliness.	4/18/2025 12:26 PM
58	Misc Just do it better.	4/17/2025 1:45 PM
59	Remove 'Protect Country' The last sentence.	4/16/2025 2:08 PM
60	No Change This is an excellent aspiration. I'm not sure if I'm being asked to comment on the aspiration, or whether we, collectively, live up to it. I've marked 80%, because I think there is room for improvement in terms of the way we are. Otherwise, I'm happy 100% with the statement as a goal.	4/15/2025 6:40 PM
61	No Change I believe that our current Community Vision is relevant and that reconciliation with the Wuthorong people should remain a priority for our community. No change is necessary	4/15/2025 2:08 PM
62	Misc The progressive erosion of visitor access and facilities. Eg reduction of caravan park capacity is at odds with the statement. Additionally it does not support our business community largely based on tourism and services.	4/15/2025 8:31 AM

Reviewing our Community Vision

63	Pro Wadawurrung We can certainly be more welcoming to visitors and respectful to Wadawurrung and protecting Country.	4/14/2025 3:27 PM
64	No Change It applies perfectly	4/14/2025 9:43 AM
65	No Change na	4/13/2025 5:40 PM
66	No Change Pro Wadawurrung I support the current Vision Statement - I believe our current community vision is still relevant to our community and that reconciliation with Wadawurrung People remains an important community priority. No change is required to the current vision.	4/13/2025 5:29 PM
67	Wording Change I would add the words "and respond effectively to the impacts of climate change." to the last sentence.	4/13/2025 3:38 PM
68	No Change N/A	4/12/2025 6:54 PM
69	Misc Why is a single race being separated out for respect? The Referendum proved that respect should be for all races.	4/11/2025 4:16 PM
70	Misc Whilst respect the Wadawurrung people we need to concentrate on the 1800s and early 1900s period. That might mean situations like planting more introduced trees like the cypress and plane trees rather than the indigenous plantings.	4/11/2025 3:46 PM
71	No Change It is still relevant. No change required	4/11/2025 10:36 AM
72	Misc just meaningless words	4/10/2025 9:25 PM
73	Misc We have a deep respect for ALL citizens of Queenscliff.	4/10/2025 4:28 PM
74	Misc Some residents need to be more accepting of visitors to the Borough throughout the year (not only special events). Without constant visitation we stand to lose retailers, the supermarket and the post office as residents alone cannot fulfil the businesses' needs.	4/10/2025 2:27 PM
75	No Change Still relevant. No change.	4/10/2025 5:58 AM
76	Wording Change Delete special and restorative place. Acknowledge rather than deep respect. It's hard to broadly generalise deep respect when most in the community would not know a wadawurrung person	4/9/2025 5:11 PM
77	No Change Nothing. The statement is appropriate as is.	4/9/2025 3:03 PM
78	Misc The Borough Council has reportedly not supported the pursuit of some sort of Treaty with the aboriginal peoples.	4/9/2025 2:50 PM
79	Remove 'Protect Country' taking action to protect country	4/9/2025 11:17 AM
80	Misc It doesn't mention "identity" - it is very important in my vision for the community/municipality that it maintains its independence and identity as a 'special place'. Queenscliff & Point Lonsdale are quite renowned simply for being part of a unique, independent municipality. Maintaining that status is a high priority in my view and should form a major part of any vision statement! it, The Borough of Queenscliffe must continue to actually exist if the 'Vision' has any relevance.	4/9/2025 9:42 AM
81	Remove 'Protect Country' I do not like the reference to "country" The country is our country and belongs to all of us	4/8/2025 7:30 PM
82	No Change No change is required	4/8/2025 6:20 PM
83	Wording Change The statement's sentences mix tenses and grammar. It might be better to start with "To be" and use the active voice. The last sentences seems to mix a vision and a mission.	4/8/2025 3:31 PM
84	Misc I am very concerned that small business has found it no longer viable to remain in Queenscliff	4/8/2025 3:30 PM
85	No Change Happy with statement	4/8/2025 2:21 PM
86	No Change Pro Wadawurrung I think this is a great Central Statement, developed through an extensive community consultation process, and it is still relevant and applicable to our community. I especially like the acknowledgment of our community's deep respect for Wadawurrung People and our local action to protect Country. This reflects the importance of Wadawurrung People, cultural heritage and Country to our community. Please leave the Central Statement as is - NO change is required.	4/8/2025 1:12 PM
87	Pro Wadawurrung More consultation with First Nations people.	4/8/2025 12:52 PM

Reviewing our Community Vision

88	No Change Pro Wadawurrung This statement does apply to our community overall, and the families that live here and have done so for generations. Especially the deep respect for the Wadawurrung people and taking action to protect Country. The next generation of children living here deserve to have an environment and place that is healthy and safe for them to be able to have their own families here knowing that the generations before them acted on Climate Change and were looking out for their futures.	4/8/2025 11:11 AM
89	Misc If we welcomed visitors there would be a dump point.	4/8/2025 10:44 AM
90	Misc What "action" is being taken to "protect country" And what does this statement mean? Very woke!	4/8/2025 10:36 AM
91	Misc Developments such as the boat ramp / park are not environmentally sensitive. Less concrete and more shade. Those car charging stations are a disgrace.	4/8/2025 8:50 AM
92	No Change Nothing - It's perfect	4/8/2025 8:35 AM
93	No Change Nil	4/7/2025 10:05 PM
94	Misc It is a woke statement probably created by a consultant who has injected their own biased approach into the document and ignored most of the community comments. It looks like the typical output of a prior report that still promoted 30 kph speed limits despite over 1500 objections to the proposal. A review of "Some things to think about " for each of the 5 pillars made 1 mention of the Wadawurrung people yet the Wadawurrung people and Country dominate the Community Vision and the 5 Pillars as though we non aboriginal people are the minority living in some outback aboriginal community. It is a woke, Green document that needs to be revised to suit the whole community, not just part of our community.	4/7/2025 6:34 PM
95	Remove 'Protect Country' Remove the last sentence	4/7/2025 5:52 PM
96	Remove Wadawurrung take out reference to Wadawurrung People We are all equal Australians under the Law and no special treatment should be given to any single group in our Multi Cultural society	4/7/2025 5:08 PM
97	Remove Wadawurrung Delete any reference Wadarrung	4/7/2025 5:00 PM
98	Wording Change There needs to be reference to protecting the environment and being responsive to climate change.	4/7/2025 4:41 PM
99	No Change Remove 'Protect Country' "The Borough is a special and restorative place, renowned for its distinctive coast, rich living heritage and vibrant culture. Our community is caring and welcoming to visitors. We have a deep respect for the Wadawurrung People.	4/7/2025 3:09 PM
100	Misc Bring life and culture into our town. Many retailers aren't open 7 day and very few community events is making for a very dull and sleepy town.	4/7/2025 1:32 PM
101	Remove 'Protect Country' We do not need the last sentence	4/7/2025 12:21 PM
102	Remove 'Protect Country' The Borough is a special and restorative place, renowned for its distinctive coast, rich living heritage and vibrant culture. Our community is caring and welcoming to all.	4/7/2025 11:18 AM
103	Misc The culture is not vibrant enough, and the distinctive coast is not properly cared for. The gardens are in poor condition, and much of the community isn't very welcoming during of busier times and planning for greater opportunities unfortunately.	4/7/2025 9:57 AM
104	Wording Change delete special and restorative add safety, sustainability & prosperity minor other edits	4/6/2025 10:35 AM
105	Misc While I support enhancing the lives of aboriginal people that is the responsibility of the Federal Government. I've only ever seen one aboriginal in Queenscliff. The last sentence is a nice thought but relates to the past.	4/5/2025 1:18 PM
106	Misc Welcome visitors	4/5/2025 1:16 PM
107	Misc The statement is too broad. Separating aspects might have been better.	4/5/2025 10:44 AM
108	Misc Much more on prudent use of ratepayers funds	4/4/2025 5:50 PM
109	Misc I would also add our commitment to reducing our pollution foot print including zero omissions and use of renewable energy on domestic and council buildings and access for all residents to all services and Council events including beaches.	4/4/2025 5:04 PM
110	Misc Should it somehow acknowledge the balance between interests of the residents and the need to bring visitors in for the business community?	4/4/2025 2:31 PM

Reviewing our Community Vision

111	Misc	what is a "special and restorative place"? what is "deep"?	4/4/2025 12:32 PM
112	Misc	Council scrapped reconciliation plans	4/4/2025 10:27 AM
113	No Change	I support the statement & note the work done by the community in advancing its goals eg protection of environment & addressing impact of climate change .This work should continue rather than be changed part way through it's time line.	4/4/2025 10:26 AM
114	Misc	Higher on tourism development and promotion.	4/4/2025 9:59 AM
115	Misc	This is a loaded question formulated to legitimise the council current agenda. Stop politics in local councils and become solely community focussed. Roads, rates, rubbish.	4/4/2025 9:21 AM
116	Remove 'Protect Country'	I would remove the last part which states 'we are taking action to protect Country'	4/4/2025 8:59 AM
117	Misc	Amalgamate Point Lonsdale with Borough of Queenscliff by becoming one strong community	4/4/2025 4:49 AM
118	Misc	I believe we are all equal. No one group should be singled out for greater respect.	4/3/2025 9:19 PM
119	Misc	I don't think our heritage is living	4/3/2025 8:39 PM
120	Remove 'Protect Country' Remove Wadawurrung	I am sick to death of "welcome to country" and the flying of the aboriginal flag. I could go on. So, I would omit the final sentence. For the rest, I wonder if it is necessary. Puffery.	4/3/2025 5:47 PM
121	Pro Wadawurrung	Very disappointed council "paused" the reconciliation action plan as this is completely contrary to this statement	4/3/2025 5:41 PM
122	Remove Wadawurrung	Delete the reference to the Wadawurrung people. We are one community. We should not single out one community ahead of others	4/3/2025 5:34 PM
123	Misc	I think the emphasis on visitors and past owners is valuable, but we should state more about our residents' values rather those who do not live here now.	4/3/2025 5:26 PM
124	Remove Wadawurrung	'We have a deep respect for the Wadawurrung People and are taking action to protect Country.'" - delete this part.	4/3/2025 5:23 PM
125	Misc	We can always do better	4/3/2025 1:47 PM
126	Misc	This is not a Vision Statement which should outline what you are aiming to be/achieve in the mid to long term. This statement, whilst admirable, is a 'wishy washy' statement of what you think you are now.	4/3/2025 12:55 PM
127	No Change	Very little	4/3/2025 12:44 PM
128	Remove 'Protect Country'	Delete the final sentence of the Vision Statement, as it does not respect the other 96+% of the Borough's population.	4/3/2025 12:32 PM
129	Pro Wadawurrung	Evidence of the 'deep respect' for the Wadawurrung People is pretty scarce. As an aspiration, these words are fine, but we are falling short. I would like to see more tangible examples of our understanding of our indigenous past and respect for this heritage in our current and future plans.	4/3/2025 11:07 AM
130	Misc	Beaches need improving. caravan Parks need complete overhaul, mainly management, from the top down. Asset underutilised, not performing. Not welcoming.	4/3/2025 6:20 AM
131	No Change	I think its pretty good. It would be great to encompass young and old in this statement	4/2/2025 9:41 PM
132	Wording Change	Putting the entirety of Point Lonsdale in one shire.	4/2/2025 7:28 PM
133	Remove Wadawurrung Wording Change	Delete references to indigenous people and "Country". Delete reference to "vibrant community". Insert reference to preserving amenity and existing spirit.	4/2/2025 4:30 PM
134	Misc	If protecting Country includes street signage using Aboriginal names is in my opinion inappropriate and a waste of money.	4/2/2025 3:51 PM
135	Misc	"restorative place" - really? Healthy place would be better.	4/2/2025 3:12 PM
136	Misc	Does the Borough support the preservation of Ballara?If yes what is it doing to do so? Queenscliffe town looks somewhat gloomy , needs more trees in Hesse St.	4/2/2025 3:09 PM
137	Misc	The Vision Statement is currently more a vision of a health spa. Too flowery ie "special and restorative place ", and thus impossible to apply foundation to plans and	4/2/2025 2:18 PM

actions. A more simple, basic expression of the place of the Borough of Queenscliffe. As a Vision for the community of Queenscliffe, the current statement inappropriately includes a political statement "deep respect for the Wadawurring People " . This is not appropriate to a Vision Statement of a whole, inclusive community. The inclusion implies that our community has a cohort of local peoples " the Wadawurring " not included and disrespected by the community. A vision should be a statement of inclusiveness and respects all in the community equally. The words " taking action to protect country " is an inappropriate inclusion to a vision statement of a community that has no definition of the " country ". This is an action of a Community Plan and has no place to a Community Vision.

138	Wording Change We have a deep respect for all cultures	4/2/2025 2:08 PM
139	Misc We need to allow a more welcoming environment for the town of Queenscliff. We need streetscapes and hospitality attraction to encourage visitors to linger in the town. Not everyone wants ancient history with no forward thinking.	4/2/2025 1:10 PM
140	Misc There is a lot of emphasis on the Wadawurrong People and although their history is very important to the area, they represent a tiny minority in the area now.	4/2/2025 11:00 AM
141	Misc The word 'special' could mean any thing - I believe a more potent word is required and not sure what this refers too	4/2/2025 10:31 AM
142	Remove Wadawurring Reference to indigenous statement	4/2/2025 10:00 AM
143	Remove 'Protect Country' Remove "taking action to protect Country". I struggle to find the data for this statement.	4/2/2025 8:55 AM
144	Misc Not sure how we acknowledge wadawurring peoples beyond customary acknowledgement	4/1/2025 7:12 PM
145	Wording Change We are one country, one people and one community- we do not need to divide it by reference to other groups and "country"	4/1/2025 6:39 PM
146	Misc Disrespect by visitors re rubbish and dog owners waste collection and too many cars.	4/1/2025 4:39 PM
147	Misc Include something about supporting businesses to thrive and a great place to bring up families.	4/1/2025 4:11 PM
148	Misc Pure sophistry Motherhood statement saying little	4/1/2025 2:19 PM
149	Misc Lack of vibrant culture	4/1/2025 12:14 PM
150	No Change Pro Wadawurring The statement is excellent. What is extremely worrying is the antipathy of this current council to reconciliation action with First Nations	4/1/2025 9:27 AM
151	Remove 'Protect Country' Remove "and are taking action to protect Country".	3/31/2025 3:05 PM
152	Misc No Wadawurring people live in Queenscliff. There is little evidence of their having consistently lived here.."Country" with a capital "C" has no meaning.	3/31/2025 1:32 PM
153	Remove 'Protect Country' Less protecting 'country'	3/31/2025 11:44 AM
154	Wording Change We are taking action to protect the Wadawurring heritage & country	3/31/2025 11:35 AM
155	Wording Change The wording of the last sentence. Instead I feel it would be better to say ... We are working together with the WAddawurring people to respectfully protect country. Saying we have deep respect for the people is probably not correct. Many people in our community sadly do not respect the WAddawurring people. I wish this was not the case. However I think a majority of the community feel they are working with the Waddawurring people to respectfully protect the environment.	3/31/2025 11:19 AM
156	Remove Wadawurring Remove we have a deep respect for the W	3/31/2025 9:22 AM
157	Remove 'Protect Country' Remove the last sentence	3/29/2025 10:33 AM
158	Misc More multicultural recognition and food sharing	3/29/2025 7:35 AM
159	Misc We need to add words around accessible to and inclusive of all. Given the new Councils recent decisions around the RAP this probably needs to be revised.	3/28/2025 7:23 PM
160	Misc "restorative " ; "vibrant " ; "welcoming " ; "deep respect " are all adjectives to be aspired to but would love to understand what actions have been enabled to support these aspirations	3/28/2025 4:09 PM
161	Remove 'Protect Country' I would change last sentence to read," we have ongoing respect for the Wadawurring people."	3/28/2025 7:02 AM

162	No Change Change nothing. This statement covers all the great aspects of the Borough & what needs to be considered going forward (environment, history, tourism)	3/27/2025 8:21 PM
163	Misc Needs to strongly encourage visitors to the area, history is vital to be stated. Family to be encouraged, school, beaches and sport. Has the best health support.	3/27/2025 8:18 PM
164	Wording Change Adjust last sentence to read 'we have deep respect for our community'	3/27/2025 3:12 PM
165	Wording Change We have a deep respect for all members of our community and care for our environment,	3/27/2025 11:40 AM
166	Misc Vibrant culture and taking action to protect Country are aspirational only & don't reflect reality- yes vision only	3/27/2025 11:23 AM
167	Remove 'Protect Country' Delete last sentence.	3/27/2025 9:30 AM
168	Misc Provide public toilets in Hesse St. Put them in the street frontage area of the Library.	3/27/2025 9:26 AM

184	Remove 'Protect Country' Remove the final words," and are taking action to protect country" to preserve an inclusive statement for all.	3/25/2025 11:43 PM
185	Misc The Council is, in fact, taking very little effort to protect "Country", with only one officer managing the foreshore areas. There are degraded paths, weed infestation, rubbish on beaches and in dunes etc. There is minimal advocacy for expanded Ramsar sites, dogs are allowed on exposed tidal reefs in a National Park (the only such area in Victoria) and nationally important military and maritime infrastructure is allowed to deteriorate. All caravan parks are in run down condition. Using the term "Country" is a curious term when according to the last census only about 10 residents identify as indigenous. Also, what does "rich living heritage" actually mean? It is so vague as to be mumbo jumbo. I would even challenge the term "vibrant culture". This is laughable. The Council has avoided doing any improvements in Queenscliff or Point Lonsdale's main streets to facilitate vibrancy.	3/25/2025 10:53 PM

#	RESPONSES	DATE
1	Protecting Country and our natural environment Protecting our unique and diverse natural environment	5/2/2025 3:03 PM
2	No Change Nothing at all	5/2/2025 1:37 PM
3	No Change No change required	5/2/2025 12:32 PM
4	No Change I support all pillars and see them working well together. They are interdependent and should be equally valued wherever possible. The li tied nature of this survey question is quite frustrating as seems very reductionist and simplistic. In particular being asked to select only one area in question 9 is ridiculous and seems likely to generate misleading statistics. I strongly support funding for all areas but was unable to indicate this within the restrictive format of the question.	5/2/2025 10:22 AM
5	Extra Pillar I would add an extra pillar- sustainable and inclusive tourism.	5/1/2025 5:47 PM
6	Protecting and celebrating Wadawurrung and Borough heritage Protecting and celebrating our heritage	5/1/2025 4:02 PM
7	Protecting and celebrating Wadawurrung and Borough heritage Change p1llar 5	5/1/2025 1:14 PM
8	No Change Pro Wadawurrung None of pillars Recognition of Wadawarrang heritage is important	5/1/2025 12:20 PM
9	Protecting Country and our natural environment Protecting our natural environment and Country	5/1/2025 11:29 AM
10	Protecting Country and our natural environment Protecting our natural environment including respect for Country	5/1/2025 11:28 AM
11	Protecting Country and our natural environment Remove the word country.	5/1/2025 11:15 AM
12	Misc It appears that we are not maintaining coastal areas and protecting country as they are being overrun with invasive vines, weeds and non-indigenous trees to this area. All of these are harming our indigenous trees and shrubs. The non maintained areas are so overgrown with weeds and vines they are a haven for rats and rubbish, not a chance of anyone enjoying what could be a beautiful natural environment. Can council work with locals to improve this please.	5/1/2025 10:54 AM
13	Protecting and celebrating Wadawurrung and Borough heritage Protecting celebrating all people of the Community and Borough heritage.	5/1/2025 9:46 AM
14	Protecting Country and our natural environment Protecting a natural environment and protecting and celebrating our heritage	5/1/2025 7:52 AM
15	Misc Make attracting tourists a priority	4/30/2025 10:52 PM
16	Amaglamate Pillars Protecting Country and our natural environment Unsure you need 5 supporting pillars. Pillar 2 and 4 are similar. Could change it to one which is something like ' Protecting and celebrating the natural environment and heritage'	4/30/2025 4:12 PM
17	Misc See above	4/30/2025 2:43 PM
18	Protecting and celebrating Wadawurrung and Borough heritage Protect and celebrate heritage for all	4/30/2025 12:18 PM
19	Extra Pillar Built heritage should have a larger emphasis and be given its own pillar. Built heritage is the single thing that distinguishes Queenscliffe from most other coastal destinations. In recent times heritage protections provided by the Planning Scheme and the Urban Character Study have increasingly not been applied. We see this in inappropriate development impacting heritage streetscapes and the changes of heritage colours on important old buildings being changed to white. Our built heritage needs to be monitored and standards maintained. It is all very well to have a Community Vision but it must be used to develop policy and action.	4/30/2025 8:22 AM

Reviewing our Community Vision

20	Misc While it is absolutely important to highlight our first nations people I believe we need to be valuing our children of our future to ensure that we are leaving the borough in a better place than when we found it.	4/29/2025 8:48 PM
21	Protecting Country and our natural environment Change 2 to read 'protecting a natural environment' and change 5 to 'protecting and celebrating our heritage'	4/29/2025 8:43 PM
22	Extra Pillar I would add that we need to take action on the likely impacts of climate change, such as rising sea levels which could directly affect parts of Queenscliff and Point Lonsdale	4/29/2025 8:24 PM
23	No Change I would not change anything because these pillars are all essential to a respectful, healthy community.	4/29/2025 7:52 PM
24	Protecting and celebrating Wadawurrung and Borough heritage Change to : protecting our heritage	4/29/2025 7:05 PM
25	No Change I believe the pillars and the Vision Statement cover the important things in our community	4/29/2025 5:03 PM
26	Misc We are all Australians. Don't divide by race. How about a mention to Matthew Flinders or Mr Lonsdale??	4/29/2025 3:15 PM
27	Protecting Country and our natural environment Change to "protecting our natural environment"	4/29/2025 2:00 PM
28	Misc Of being from koori heritage I've had enough of our ancestors names and language being used by white people to further there agenda to make them selves feel better I believe it is very device	4/29/2025 1:48 PM
29	Misc More funding to promote tourism and revitalize the Hesse street retail centre.	4/29/2025 1:04 PM
30	Extra Pillar Linking Borough post-colonial history with Wadawurrung history is an overreach. The Borough's post-colonial history is demonstrable and well-researched i.e. documented. There is minimal Wadawurrung heritage to be protected and celebrated. Certainly there are middens and the occasional artifact found but the history of the Wadawurrung is scant - some elements of Wadawurrung history actually come from early settlers who documented some words and practices but their veracity is unknown as they weren't anthropologists. Without documentation and/or continuous occupation, it is an artifice to clump together pre-and post-colonial heritage.	4/29/2025 12:58 PM
31	Protecting and celebrating Wadawurrung and Borough heritage Delete pillar 5. The previous 4 pillars accommodate aspirations for all the community	4/29/2025 11:36 AM
32	Misc I would remove it and stop prioritizing this division	4/29/2025 10:17 AM
33	Misc I think Hesse st needs more enhancing eg. trees, after hours toilet access, rubbish collection in the early hours of public holidays often bins are overloaded with rubbish spilling out	4/29/2025 9:50 AM
34	No Change Nothing. It was the correct decision at the time and remains so.	4/29/2025 8:42 AM
35	Misc Clarity - could mean anything	4/29/2025 7:42 AM
36	Misc We need to concentrate on celebrating our active residents their fantastic achievements...	4/28/2025 7:20 PM
37	Protecting and celebrating Wadawurrung and Borough heritage Celebrating Wadawurrung heritage unnecessary and at what cost to rate payers	4/28/2025 7:18 PM
38	Extra Pillar Put Borough heritage first.	4/28/2025 7:14 PM
39	Extra Pillar Replace with a focus on enhancing local infrastructure and community services	4/28/2025 7:00 PM
40	No Change Pro Wadawurrung Nothing - although for qn 9 I think Council should increase its investment in Wadawurrung.	4/28/2025 6:59 PM
41	No Change I think it is a great vision. More sustainability would be great.	4/28/2025 6:32 PM
42	Pro Wadawurrung Protecting Country and our natural environment I definitely think we should include Wadawurrung, but I feel pillar 2 and 5 could be combined if needed as to me, protecting 'country' is protecting Wadawurrung culture and history.	4/28/2025 6:24 PM
43	Pro Wadawurrung Regarding this pillar about the Wadawurrung People, the Borough of Queenscliffe currently appears to be placing greater emphasis on appearances rather than	4/28/2025 6:09 PM

genuine substance and truth. A more meaningful approach would be to embed this commitment as a core value—such as by incorporating it into the Borough's Constitution—rather than presenting it as a standalone pillar.

44	No Change Pro Wadawurrung All of these 5 Pillars work together to create a healthy community. Take away one of the Pillars and the rest are weakened. And in particular, pillar 5 needs both the Borough and Wadawurrung heritage protected otherwise the other 4 pillars lose their uniqueness as part of our distinctive space and place	4/28/2025 5:25 PM
45	Extra Pillar Recognise the significance of historical our Coastal Defences that attract significant tourist numbers to Queenscliff.	4/28/2025 5:25 PM

Reviewing our Community Vision

70	No Change This is tricky. I think that having more people actively engaging to care for our local places is a top priority. I don't want to suggest changes to the environmental pillar because that might be misconstrued and come up in the data as a pillar that needs changing or removal. This appears to be the only chance I get to say anything, so I need to record that I find this survey to be limited in its scope and a clumsy attempt to gather genuine feedback. Sorry, but it feels tokenistic..	4/15/2025 6:40 PM
71	No Change Nothing as they are great as they are	4/15/2025 2:08 PM
72	Protecting Country and our natural environment Strengthen We have a world natural, built and cultural heritage that is not leveraged to the maximum extent eg. Similar European precincts. And so an image of decay and lack of care and investment is portrayed. Modernised and integrated approaches would increase overall community value.	4/15/2025 8:31 AM
73	Supporting business and community prosperity I think the least important is supporting businesses and community prosperity	4/14/2025 1:58 PM
74	No Change Nothing	4/14/2025 9:43 AM
75	Misc increase	4/13/2025 5:40 PM

77	No Change nothing	4/13/2025 5:10 PM
78	Protecting Country and our natural environment I would change this to "Protecting Country (or perhaps Respecting Country?) and enhancing our natural environment" (to imply that as well as protecting environment we are doing more than that - looking at ways to revitalise and actively manage our environment so it is attractive, sustainable, and biodiverse.	4/13/2025 3:38 PM
79	Supporting business and community prosperity Supporting vibrant and sustainable business precincts which enhance community lifestyle and prosperity	4/13/2025 1:43 PM

95	No Change None. All pillars are still valid	4/8/2025 6:20 PM
96	Pro Wadawurrung Protecting and celebrating Wadawurrung and Borough heritage Strengthen Some First Nations history is not something to be celebrated, as a commitment to truth telling would reveal. May I suggest differently framed wording for First Nations heritage and post-settlement heritage.	4/8/2025 3:31 PM

Reviewing our Community Vision

97	Strengthen Supporting business and community prosperity I would try to encourage small business to come and stay in Queenscliff by minimizing charges ,encouraging property owners to lower rents,and council to provide insentives to attract customers	4/8/2025 3:30 PM
98	Amaglamate Pillars Protecting Country and our natural environment Combine with five.	4/8/2025 3:17 PM
99	Misc The real issue and challenge is not the pillars but how they delivered. The Borough is part of a broader region and Council needs to embrace this rather than wanting to be isolated in their approach and thinking.	4/8/2025 2:21 PM
100	No Change Pro Wadawurrung The five pillars are fine as is - no change is required. The pillars - developed after an extensive community consultation process - still accurately reflect our current community priorities. Wadawurrung Country and cultural heritage are specifically referenced, as is the need to take action to mitigate and adapt to climate change. These references reflect the importance of climate action for the Borough as a coastal community and the ongoing importance of walking together with Wadawurrung People as the Traditional Owners of the Borough to protect Country and cultural heritage.	4/8/2025 1:12 PM
101	No Change Pro Wadawurrung No change is needed- the Vision and Pillars are representative of the community. Reconciliation should resume asap to continue to support the communities wishes to respect Wadawurrung Traditional Owners and the benefits the community receives from this relationship.	4/8/2025 11:11 AM
102	Protecting and celebrating Wadawurrung and Borough heritage Strengthen Greater emphasis on protecting and preserving our precious built heritage	4/8/2025 9:24 AM
103	Misc Words will not protect our natural floral heritage. Tree plantings (avenue of honour incl.) should reflect historical vegetation. What is the vision for 50/52 Flinders st.?	4/8/2025 8:50 AM
104	Encouraging an inclusive and engaged community Supporting all communities	4/7/2025 10:05 PM
105	Misc The woke concentration and priority given to emphasising the Wadawurrung people and Country. The emphasis on a minuscule minority over the vast majority of non aboriginal people who live in the Borough is rejected.	4/7/2025 6:34 PM
106	Protecting Country and our natural environment Remove the word country	4/7/2025 5:52 PM
107	No Change Each of the five pillars remain important.	4/7/2025 5:31 PM
108	Protecting and celebrating Wadawurrung and Borough heritage Delete any special treatment of Wadawurrung	4/7/2025 5:08 PM
109	Protecting and celebrating Wadawurrung and Borough heritage Delete any reference to Wadurrung	4/7/2025 5:00 PM
110	Protecting Country and our natural environment Strengthen I would add words about being sustainable and responsive to climate change.	4/7/2025 4:41 PM
111	Protecting and celebrating Wadawurrung and Borough heritage Protecting and celebrating our heritage.	4/7/2025 3:09 PM
112	Amaglamate Pillars The pillar number 5 is already included in the first four	4/7/2025 12:21 PM
113	Wording change Remove the 5th pillar. ADD: Improve whilst acknowledging the Wadawurrung and our unique natural environment and heritage to the benefit of all.	4/7/2025 11:18 AM
114	Supporting business and community prosperity Change the order to be "Supporting community and business prosperity" ie put community before business	4/6/2025 11:34 AM
115	No Change Wording change We live sustainably. In Encouraging an Inclusive pillar add safe. In Protecting and celebrating...add Respecting at the start. Other minor edits on all Pillars. Take out infrastructure and services and inclusion and leadership from individual pillars and have them as a note at the bottom as they apply to all Pillars	4/6/2025 10:35 AM
116	No Change I think the strength of the vision is that it encompasses the broad range of views that exist within our community	4/6/2025 10:19 AM
117	No Change there is no need to change the pillars	4/5/2025 9:30 PM
118	Extra Pillar Also need to prepare for climate change and invest in our long-term future ie. extend the seawall along the dog beach to prevent erosion and potential cut-off of the Queenscliffe peninsula. If this destroys the dog beach then allocate another beach for dogs.	4/5/2025 2:29 PM
119	Protecting and celebrating Wadawurrung and Borough heritage Strengthen I would strengthen the Borough heritage part of this statement	4/5/2025 1:42 PM

124	Strengthen Supporting business and community prosperity Strengthen pillar number 3 through continued collaboration with organisations that can advocate for our small Borough.	4/4/2025 11:10 PM
125	Misc Sadly, the mood has changed & 'celebrating' is meaningless	4/4/2025 5:50 PM
126	Extra Pillar I would add all abilities access to planning and recreation including the beaches.	4/4/2025 5:04 PM
127	No Change I think the pillars are pretty good. I presume care for our elderly is part onf number 1. Also it is important to note that if we get 1, 2, 4 and 5 right, then 3 takes care of itself. In other words, is number 3 really necessary? We should beware providing business with direct support because if we use our money carefully in the other areas, visitation will increase and sao will community and business prosperity.	4/4/2025 2:31 PM
128	Amaglamate Pillars Separate into two: 1. Support for Business and Work, 2, Support for community, and add one for "Environment and Planning"and community organizations	4/4/2025 12:32 PM
129	Protecting Country and our natural environment Strengthen There needs to be more emphasis on natural environment and trees.	4/4/2025 12:07 PM

137	Protecting Country and our natural environment Delete "Country"	4/3/2025 5:47 PM
138	Misc We are one community. We should celebrate the collective and not single one part of the community out	4/3/2025 5:34 PM
139	Supporting business and community prosperity Emphasise the importance of equity in community prosperity- we want all parts of/group in our community to prosper.	4/3/2025 5:31 PM
140	Misc It is meaningless. There are no Wadawurrung people in the Borough and very few anywhere. We should not single out one race. There were many unpleasant things done by the Wadawurrung.	4/3/2025 5:23 PM
141	Strengthen Supporting business and community prosperity Somehow include responsible tourism and encouraging younger people to visit in the pillar	4/3/2025 3:15 PM

150	Misc It ignores the fact that this council is structurally designed to fail given a rate payer base of 3000 and 60 shire employees. This council is inefficient and an overlooked disaster.		4/2/2025 7:28 PM

156	Protecting Country and our natural environment Strengthen Adding emphasis on climate change mitigation as this - in a coastal community - will be the major environmental issue going forward		4/2/2025 2:39 PM
157	Wording change 1. add the words of " of community ". The present views of our community completely disregard the predominant cohort of the aged community. The addition of the simple words ' of community ' implies health and well being for the whole community. 2. delete " country " as a undefined word-value, the 2 Protecting our natural environment. Point 5 should read Protecting and celebrating Borough Heritage.		4/2/2025 2:18 PM

160	Strengthen Supporting business and community prosperity Encourage lower commercial rents, transform the business area and street into a vibrant welcoming area.		4/2/2025 1:10 PM
161	Misc I would add the following.In our BOQ Community Vision should include how we expect Council staff to manage the business on the behalf of ratepayers and traders. The following expectations should be included in any Community Vision either as a separate pillar or included in one of the existing pillars. • The BOQ management team should be focused on community consultation and feedback by spending time talking directly to the community (customers). More time in the market and out of the office. • Provide a regular updates on where the rates collected are spent to benefit the local community. • Clear prioritisation of programs to meet local community needs. These suggestions are more important as they should be concentrated on meeting the needs of the ratepayers (Customers) rather than their own priorities, their careers or trying to keep the CEO happy.		4/2/2025 11:14 AM

168	Strengthen Supporting business and community prosperity Proactively plan a proactively cohesive portfolio of business enterprises to try and maximise longevity for new business enterprises. 211	Misc	While I appreciate the sentiment of celebrating Wadawurrung heritage, the Council has provided little or no evidence of what heritage actually exists. Compared to other areas in Victoria and Australia with an unambiguous, clearly documented history of continuous indigenous presence, the Council has applied no rigour to determining the indigenous history of the area. An academic assessment of the Wadawurrung in the Borough would be beneficial so ratepayers have a better understanding of the actual pre-colonial history of Queenscliff or Point Lonsdale. There could be an extensive history to be uncovered so perhaps that critical and informative research should be conducted (Council may consider funding Deakin University to undertake a study), otherwise it's putting the cart before the horse.	3/25/2025 10:53 PM
