### CONTEXT

The Community Grants Program is a valuable tool for the Borough of Queenscliffe in enhancing good governance and strengthening communities. This is achieved by empowering individuals and community organisations to respond collectively to community needs.

The Community Grants Program is based on community development principles focusing on community building and strengthening. This is achieved by assisting community groups and organisations to deliver practical community building outcomes at the local level.

### PURPOSE

The purpose of this policy is to provide a Community Grants Program that aims to enable community groups to further meet the needs of the wider community in a partnership relationship with Council.

### DEFINITIONS

**Community Grants** Financial support of up to \$2,000 to not-for-profit organisations within the Borough of Queenscliffe

### POLICY

Council's overall sponsorship program will be made up of two streams of funding, that being Community Grants and Event Sponsorship (refer to CP022 Event Sponsorships). Council has the discretion to decide the amount of funds allocated yearly via the annual budget process to the overall sponsorship program, which includes both streams of funding.

Grants may be provided by way of:

- Cash payments
- Venue hire fee reductions or waiver
- Other in-kind support, as determined by the agreement.

~~Council has the discretion to decide the amount of funds allocated yearly to the Community Grants Program.~~

- Projects that protect our distinctive coastal, cultural and built environment, and provide sustainable, suitable infrastructure
