POLICY**1. Council Decisions**

In accordance with the *Local Government Act 2020* Council is prohibited from making 'major policy decisions' and 'inappropriate decisions', as defined in this policy, during the election period.

It shall be the responsibility of the Chief Executive Officer to determine if a matter is a major policy decision or an inappropriate decision. Where possible, the Chief Executive Officer will ensure that matters are scheduled for Council to ensure that major policy or inappropriate decisions are resolved prior to the commencement of the election period or scheduled for determination by the incoming Council.

Council must not make any decisions that it considers should not be made during an election period.

2. Council Reports

During the election period, the Chief Executive Officer will ensure that a “Caretaker Statement” is included in every report submitted to the Council or to a delegated committee of Council for a decision.

The “Caretaker Statement” will specify one or more of the following:

- The recommended decision is not a “major policy decision” or an “inappropriate decision” within the meaning of the Election Period Policy.

During the election period, the Council will not make a decision on any matter or report that does not include one of these Caretaker Statements.

3. Council Resources

It is essential that due propriety is observed in the use of all Council resources, and Council staff are required to exercise appropriate discretion in that regard. It is also important that all Councillors have access to the resources necessary to fulfil their elected roles.

In order to ensure the proper use of Council resources during the election period the following will apply:

- Council resources, including offices, support staff, hospitality, equipment, email, mobile phones and stationery will be used exclusively for normal Council business and will not be used in connection with election campaigning. Council staff are required to exercise appropriate discretion in that regard. In any circumstances where the use of Council resources might be construed as being related to a candidate’s election campaign, advice will be sought from the relevant General Manager or the Chief Executive Officer.
- Reimbursements of Councillors’ out-of-pocket expenses in the election period will only apply to costs that have been incurred in the performance of normal Council duties, and not for expenses that could be perceived as supporting or being connected with a candidate’s election campaign.
- Council logos, letterheads, or other Borough of Queenscliffe branding must not be used for, or linked in any way to, a candidate’s election campaign.
- Council staff, including support staff for the Mayor and Councillors, must not be asked to undertake any tasks connected directly or indirectly with a candidate’s election campaign.
- No local community forums utilising Council resources will be held by Councillors during the election period.
- No election material or active campaigning is to be conducted at Council sponsored festivals, events or displays.

4. Information

The Council recognises that all election candidates have rights to information from the Council administration. However, it is important that sitting Councillors continue to receive information that is necessary to fulfil their elected roles. Neither Councillors nor candidates will receive information or advice from Council staff that might be perceived to support election campaigns, and

transparency will be observed and practised in the provision of all information and advice during the election period.

Information and briefing material prepared by staff for Councillors during the election period will relate only to factual matters or to existing Council policies and services. Such information will not relate to new policy development, new projects or matters that are the subject of public or election debate or that might be perceived to be connected with a candidate's election campaign.

All requests for information are to be directed to the Chief Executive Officer or in his/her absence the General Manager, Corporate & Community Services.

The office of the Chief Executive will maintain an Information Request Register during the election period. This Register will be a public document that records all requests for information by Councillors and candidates, and the responses given to those requests. Only information that can be reasonably accessed will be released.

5. Publicity

It is recognised that Council publicity is intended to promote normal services or operations of the Council. Council publicity will not be used in any way that might be construed as intended to influence the outcome of the Council election.

During the election period, no Council employee may make any public statement that could be construed as influencing the election. This does not include statements of clarification that are approved by the Chief Executive Officer.

During the election period, publicity campaigns, other than for the purpose of conducting the election, will be avoided. Where a publicity campaign is deemed necessary for a Council service or operation, it must be approved by the Chief Executive Officer. In any event Council publicity during the election period will be restricted to promoting the normal services or operations of the Council.

Any requests for media advice or assistance from Councillors during the election period will be channelled through the Chief Executive Officer. In any event, no media advice and/or assistance or media releases will be provided in relation to election campaign matters, or in regard to publicity that involves specific Councillors.

Councillors will not use their position as an elected representative or their access to Council staff and other Council resources to gain media attention in support of matters that could be construed as relating to an election campaign.

Councillor participation in festivals and events should promote Council as a whole and not be used or be construed to gain advantage in support of an election campaign.

Information published on Council's website with regard to sitting Councillors will be limited to statements of facts about their roles and responsibilities as a Councillor. For example, contact details, roles and responsibilities as assigned by Council resolution.

Any publication on social media sites during the election period must be certified by the Chief Executive Officer. Staff responsible for administering Council social media sites will be required to monitor their respective sites during the election period and use moderation features to ensure no electoral matter is posted.

6. Assistance to Candidates

All candidates for the Council election will be treated equally.

Any assistance and advice to be provided to candidates as part of the conduct of the Council election will be provided equally to all candidates. The types of assistance that are available will be documented and communicated to all candidates in advance.

All election related enquiries from candidates, whether sitting Councillors or not, will be directed to the Returning Officer or, where the matter is outside the responsibilities of the Returning Officer, to the Chief Executive Officer.

7. Communicating the Policy

It shall be the responsibility of the Chief Executive Officer to inform Council staff, contractors, volunteers and election candidates of the adopted Election Period Policy prior to the election period.

CONTINUOUS IMPROVEMENT

This policy will be reviewed on a continuous basis, but as a minimum it will be reviewed and, if required, amended no later than 12 months before the commencement of each general election.
